

PA Champion

Co-design group

Expanding the personal assistant workforce in Sheffield

Overview

About the project

The Sheffield PA Champion Project aims to promote and increase awareness of the Personal Assistant (PA) role within the city. The project spans a 12-month period starting from summer 2024.

Key objectives include promoting PAs as an appealing career option, organising recruitment events and workshops, establishing a peer support network, and enhancing coaching and mentoring opportunities for both PAs and potential employers. The project targets individuals interested in working as PAs and those seeking to employ them, covering all age groups.

About the Group:

We're forming a co-design group of five individuals who have first-hand experience with self-directed support. Whether you've worked as a personal assistant or have employed them, your insights are invaluable in shaping the direction of the PA Champion Project.

What You'll Receive:

Influence Strategy and Delivery: You'll have the opportunity to shape the strategy and delivery of the PA Champion Project, ensuring it meets the needs of those directly impacted.

Remuneration: Your time is valuable, and we'll compensate you at a rate of approximately £25 per hour.

Regular Feedback: Stay informed about project progress and outcomes with regular updates provided to you.

What We Need From You:

Commitment: Attend four in-person meetings over a 12-month period, scheduled quarterly.

Expert Insight: Share your advice and opinions on how the project should be delivered, drawing from your lived experience.

Network Support: Help spread the word about the project within your networks, amplifying its reach and impact.

Positive Approach: Bring a positive and solution-focused mind-set, demonstrating enthusiasm for creating positive change in our community.

This is your chance to be at the forefront of driving meaningful change in Sheffield. If you're passionate about making a difference and have the relevant experience, we'd love to have you on board. Apply now to be part of the PA Champion Co-Design Group!
